

ISGUS Terminal IT 7001

The Time Recording Terminal IT 7001 supports all important functions like IN and OUT bookings, official absence, business trip, totals/balance inquiries and text messages for your employees. The booking of cost centre changes is possible via scroll list.

- 2-line alpha-numeric and back-lit LCD display for clear user information and text messages.
- Time bookings via IN / OUT keys or automatic with chronological booking allocation.
- Inquiry of time accounts eg. flexitime balances, overtime, remaining holidays.
- Booking of absence reasons like official absence, business trip, medical visit etc.
- Supports multi-company operation for up to 5 companies (as an option).
- Cost centre recording via scroll list (as an option)
- Display of personal text messages (as an option).
- Battery backed memory for up to 1.000 bookings (5.000 as an option).
- High precision quartz-based real time clock.
- Integrated battery back-up for full operation in case of power failure (as an option).
- Intelligent load function providing long life cycle of the battery.
- Reader modules for all current proximity reading technologies.
- RJ45-socket for ethernet connection.
- Signal programming.

Technical Data Terminal IT 7001

Badge reader systems:	ISGUS Proximity, Hitag 1, LEGIC, LEGIC advant, Mifare, Mifare DESFire, SimonsVoss, HID, PAC, Fixcode, ...
Input voltage: external power supply unit: internal power supply unit:	15 V AC or 24 V DC (18-36 V DC) 230 V / 120 V AC + 6% /-10 %
Power consumption:	max. 1 A (depending on reader type)
Protection type: Protection class:	IP 55 II / EN 60950
Environment:	Ambient temperature: -10° to + 40° C No direct sunlight
Rel. Humidity:	max. 85 % (non condensing)
Data communication:	Ethernet (TCP/IP), RS 232, RS 422, integrated modem
Weight:	Approx. 0,8 kg – 1,3 kg (depending on model)
Dimensions:	Height: 230 mm Width: 193 mm Depth: 82 mm

subject to technical modifications
